Outing Information

for Monday, February 5, 2024, leaving about 11:45am, after the 10:30 am Mass.

_____ Palomar Observatory. Run by CalTech, the observatory is located on Palomar Mountain about 45 miles from the abbey. Since the mid-twentieth century it has been a leading facility for astronomical research. The outing would include a tour of the facility. (See outing fee above.)
 _____ Near Abbey, at the foot of our hill is a 3 mile level path to the beach, using bikes or walking; The Bike Trail is 12 miles, level.
 _____ Remain at the Abbey resting, reading, etc. Sunday Lunch as usual at 12:00pm.

Notes:

- * Special Requests (diet, disability, etc.)

- * We usually allow 1 hour from Airport (42 miles), traffic permitting. On the return trip, we usually aim for up to 2 hours arrival before flight takeoff time.
- * Please try to get all information to us by January 1, 2024. Thank You. Have a safe and peaceful journey and many happy returns.
